peshawar, pakistan

EXPERIENCE

Data Science | Data Analysis | Data Visualization | Data Mining | Machine Learning

- work on many data science project.
- experience in python, tableau power BI, data bases.
- Strong skill to analysing data find trends in data .
- work on machine learning such as regression, classification, clustering, etc.
- experience in data visualization tool, like tableau and power BI.
- strong knowledge working with databases, mysql, oracle and mongodb

credit card fraud detection.

Credit card fraud detection using a Decision Tree classification algorithm is a common application of machine learning. Decision Trees are powerful tools for classification tasks, including identifying fraudulent credit card transactions

HOBBIES

Body Building

Workout on daily basis

Tracking

Going for mount climbing on every single year

Playing Games

Excited to play each and every outdoor games

CERTIFICATION

IBM Data Science

- what is data science
- tools for data science
- Data science methodology
- Python for Data Science, AI and Development
- python project for data science
- Databases and SQL for Data Science with Python
- Data analysis with python
- Data Visualization with Python
- mashine learning with python
- Applied Data Science Capstone

Data Visualization with Tableau

- Fundamentals of Visualization with Tableau
- Essential Design Principles for Tableau
- Visual Analytics with Tableau
- Creating Dashboards and Storytelling with Tableau
- Data Visualization with Tableau Project

LIFE PHILOSOPHY

" You are the only person on earth who can use your ability "

EDUCATION

BS Data Science

University of Engineering and Technology
Peshawar

sep 2021 – Aug 2025

peshawar , pakistan

TECHNICAL STRENGTH

Python
Databases
Tableau
Power BI
Excel
MongoDB
Mysql

MOST PROUD OF

Best data analysis

ON time delivery of work

Continuously work on various platform and expand learning capability in terms of quality

STRENGTHS

Hard-working (18/24)

Persuasive

Motivator & Leader

Mobile Devices & Applications

Python programming and visualization

LANGUAGES

English
Urdu
